

THE DIFFERENCES BETWEEN NORMAL AGING AND DEMENTIA

**FREE
WORKSHOP**

Everyone is invited.

Aging is a natural process of our lives. When you or a loved one start exhibiting memory issues it can be worrisome. Knowing the signs of normal aging memory issues as opposed to non-normal memory issues can help you seek the care and support you need sooner rather than later.

BRUNSWICK COVE

**Tuesday, March 19th
10:30-11:00 AM**

**Wednesday, March 20th
2:30-3:00 PM**
